

Checklist – Child Protection

Does your organisation have a child protection policy or procedure in place?	
If there is a named supervisor with responsibility for trainees have they had any basic child protection training?	
Is the named supervisor CRB checked?	
Have all aspects of the job role including location, travel, access to confidential material been considered as part of risk assessment?	
Have all employees been briefed on inappropriate behaviour, language, including horseplay and bullying?	
Have you avoided wherever possible the need for one to one work with an adult?
